

TRANSLATION AND BILINGUALISM POLICY

Adopted: 03-Jun-2012

Revised: N/A

1.0 Commitment to Bilingualism.

The Association is a bi-national organization of the United States and Canada. The English and French languages have equal status in Canada. The governments and people of Canada encourage private institutions to provide meaningful provision of services in both English and French. The Association should endeavor to increase its use of both languages in its materials, programs, and services to its membership.
