

NAVA (old)

Historical References

Notes: David Martucci states that during Whitney Smith's presidency (1967–1977) the Association did not own flags; instead, Digby Chandler of Annin & Co. and William Spangler of Dettra Flag Co. provided flags as needed.

The disposition of the two 1967 Dettra flags is unknown. It is possible that one or both of them were acquired by The Flag Research Center.

James Ferrigan states that the Paramount NAVA flag was manufactured in 1979 and taken to the NAVA 13 annual meeting in Salem, Massachusetts by Ken Hughes, Paramount's co-owner and vice president. It was last used at NAVA 49 (Ottawa 2015).
